Project:

Title: My Profile Portfolio (Web designing)

Description: I have worked on projects using HTML, CSS and Javascript focusing on building user-friendly web applications. My portfolio reflects my eagerness to learn, problem-solving skills, and commitment to delivering clean and reliable software solutions.

Technology: HTML, CSS and JS - **Tools:** Visible Studio, Chrome (output display).

Title: My Shop Website

Description: Developed a modern and responsive grocery shop website to showcase Chellakani Store, its products, services, and business information. The website features a clean user-friendly design with product categories, attractive product images, shop details, contact information, and location details. Built using HTML5 and CSS3, with a responsive layout optimized for desktop and mobile devices.

Technology: HTML, CSS - **Tools:** Visible Studio, Chrome (output display).

Course Certification:

Web Development – Accord Info Matric
